

# Cookies, Data Processing And Privacy Policy Agreement for Data Force

At Data Force, accessible from [mlhrknn.github.io](https://mlhrknn.github.io), one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by Data Force and how we use it.

If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us.

This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in Data Force. This policy is applicable to any information collected on this website.

## Consent

By using our website, you hereby consent to our Cookies, Data Processing And Privacy Policy Agreement and agree to its terms.

## Information we collect

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

When you register for an Account, we may ask for your contact information, including items such as name, company name, address, email address, and telephone number.

If you want to apply as a contributor and earn income, we may ask some proof of identity documents, like copy of your identity cards.

## How we use your information

We use the information we collect in various ways, including but not limited to:

- Provide, operate, and maintain our website
- Improve, personalize, and expand our website
- Understand and analyze how you use our website
- Develop new products, services, features, and functionality
- Communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the website, and for marketing and promotional purposes
- Send you emails
- Show you advertisements
- Find and prevent fraud

## Log Files

Data Force follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

For recording these log files, Data Force is also use Third Party companies, such as CloudFlare, AWS, Google Analytics etc. Data Force is not responsible from those companies policies.

## Cookies and Web Beacons

Like any other website, Data Force uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

For more general information on cookies, please read "What Are Cookies":

<https://www.cookieconsent.com/what-are-cookies/>

## Google DoubleClick DART Cookie

Google is one of a third-party vendor on our site. It also uses cookies, known as DART cookies, to serve ads to our site visitors based upon their visit to www.website.com and other sites on the internet. However, visitors may choose to decline the use of DART cookies by visiting the Google ad and content network Privacy Policy at the following URL – <https://policies.google.com/technologies/ads>

## Our Advertising Partners

Some of advertisers on our site may use cookies and web beacons. Our advertising partners are including but not limited to: Google, Yandex, Bing, Yahoo, PropellerAds, Adcash, Adstargets, etc.

Each of our advertising partners has their own Privacy Policy for their policies on user data.

## Advertising Partners Privacy Policies

You may consult this list to find the Privacy Policy for each of the advertising partners of Data Force.

Third-party ad servers or ad networks uses technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on Data Force, which are sent directly to users' browser. They automatically receive your IP address when this occurs. These technologies are used to measure the effectiveness of their advertising campaigns and/or to personalize the advertising content that you see on websites that you visit.

Note that Data Force has no access to or control over these cookies that are used by third-party advertisers.

## Third Party Privacy Policies

Data Force's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

## CCPA Privacy Rights (Do Not Sell My Personal Information)

Under the CCPA, among other rights, California consumers have the right to:

Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers.

Request that a business delete any personal data about the consumer that a business has collected.

Request that a business that sells a consumer's personal data, not sell the consumer's personal data.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

## GDPR Data Protection Rights

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access: You have the right to request copies of your personal data. We may charge you a fee for this service.

The right to rectification: You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete.

The right to erasure: You have the right to request that we erase your personal data, under certain conditions.

The right to restrict processing: You have the right to request that we restrict the processing of your personal data, under certain conditions.

The right to object to processing: You have the right to object to our processing of your personal data, under certain conditions.

The right to data portability: You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact our Data Protection Officer via [support@dataforce.com](mailto:support@dataforce.com)

## Children's Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.

Data Force does not knowingly collect any Personal Identifiable Information from children under the age of 13. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.

## Few More Informations About Cloud, Server, Data Backups

Data Force uses cloud services, like Amazon AWS, Cloudflare, Twilio, Azure, Google Cloud, etc.

Data Force's database is currently in the USA. In the future, we may transfer or copy/clone our database for better website operations.

We automatically backup our database each day to prevent any database failure recovery. It is an ordinary procedure among servers. However, we want to make it clear that the data you deleted from one database, may stay in another database for a while.

If there is no database crash, the data you deleted will be permanently deleted from all copies of our databases after a while.

for more information, you may read "Working with Backups" documantation of AWS: [https://docs.aws.amazon.com/AmazonRDS/latest/UserGuide/USER\\_WorkingWithAutomatedBackups.html](https://docs.aws.amazon.com/AmazonRDS/latest/UserGuide/USER_WorkingWithAutomatedBackups.html)

## Data Force BETA Warning

Data Force is currently at the Beta stage. The software, server architecture, database, our codes are developing and progressing continuously. While we are making those changes, we may make some mistakes. There can be some bugs, there can be data inaccuracy, there can be technological insufficiency, etc.

We will try to do our best, but we do not give you any warranty until we complete our BETA stage. By using our website, you are accepting it.

## Governing Law

Any claim related to Data Force's Website shall be governed by the laws of Estonia without regards to its conflict of law provisions.
